Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The land forms part of the residential curtilage of an existing lawful dwellinghouse. The existing use of the land is as a private residential garden ancillary to the dwelling, and this use is lawful. The proposed swimming pool is incidental to the enjoyment of the dwellinghouse and will be located within the residential curtilage. No unlawful use or development is involved.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A Lawful Development Certificate should be granted because the proposed swimming pool constitutes permitted development under Schedule 2, Part 1, Class E of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

The swimming pool will be located within the curtilage of an existing lawful dwellinghouse and will be used for purposes incidental to the enjoyment of the dwellinghouse. The proposal does not involve a separate planning use and the property will remain in Use Class C3 (Dwellinghouses).

The development complies with the relevant limitations and conditions applicable to Class E permitted development rights and therefore planning permission is not required.
