| Comments:            | <p>I am pleased to support this revised planning application.</p> <p>The proposed homes are well designed, in keeping with the surrounding area, and will provide another opportunity for families to enjoy everything Ansty has to offer.</p> <p>Sensitive, well-planned growth is important if communities are to</p> |

remain vibrant and sustainable for future generations. In my view, this revised proposal achieves that balance and would be a positive addition to Ansty.

I therefore hope the application receives planning approval.
