Dear Jane
Thank you for your email.

I note that the next Hassocks Parish Council planning meeting is due to be held on 16 March 2026.

Whilst I can agree to the Parish response for DM/26/0358 & DM/26/0359 - 9 Mackie Avenue Hassocks being delayed until 20.03.2026, due to the Decision Target date for the determination of these being mid April, I am sorry but **I cannot agree to this date for DM/25/1800 - Woodside Grange Woodland Road Hassocks. Please can the comments for that application be sent to me by the end of 17.03.2026 at the latest? This is because I have agreed an Extension of time for the decision to be issued by 20.03.2026.**

Whilst writing I should make you aware that there has been a further submission for DM/25/1800 of a Revised Proposed Site Plan and supporting Arboricultural Impact Assessment (AIA) and an Arboricultural Method Statement (AMS) today, see attached. I have not extended the existing consultation period, as new neighbour letters, site notices and consultations have only recently been produced/posted on site and the consultation period for these runs until 11.03.2026. The changes that have been made to the scheme are in response to earlier comments from the MSDC Tree Officer and would result in more trees being retained on the site than previously proposed.

I hope that you can work within the above time frame?
I look forward to hearing from you regarding the above comments.
Regards
Anna
