Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Unnecessary development, local infrastructures can't cope. Destroying our countryside for homes that are never affordable. There needs to come to a point where it stops and now is the time. Please don't approve this. Not everything in life is about making money, our community and countryside is far more important.

Kind regards
