Reasons for comment:	
Comments:	The Plans in place are going to make an amazing facility for the local equestrian community. With the outstanding facilities to use it will make Eastwood farm an amazing community bringing like minded equestrians together and to use as a base for training horses and riders. Having myself competed all over the world,

these facilities will be on par with some of the best I have travelled to. I am certainly very excited with the prospect of Eastwood farm and will be very excited get involved.

Kind regards
