Hi Martin,

I hope that all is well with you.

NatureSpace have now finalised the District Licence report for this site by adding the Planning Application reference. Please see version 2 attached. They have also made a minor revision to the Impact Map so that the red line boundary matches that shown on the Planning Application drawings (version 2 attached). NatureSpace have advised that *"These latest documents can be submitted to your case officer to support the application."*

I trust that this is satisfactory. If you have any queries then please do not hesitate to contact me.

Are there any other updates relating to this Planning Application?

Best regards,

Tim
