Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We object on the following grounds. Main worries around the new entrance and exit road. London Road is a hugely busy road now. It will become increasingly dangerous for Mothers and children going to School and other pedestrians Walking the footpath. Amenities ie Electricity and water are

already under severe pressure.
The School has grown to out of proportion to the size of the village
. The GP surgery is oversubscribed .
There is no longer a dentist. The construction noise and probable
noise from the development will be unbearable.
We are v close in proximity.

Kind regards
