Reasons for comment:	
Comments:	I wholeheartedly support this application. To encourage participation in sport must be one of the best things we can do for young people. To offer a diverse range of sports available to the young people of East Grinstead is essential if more are to realise the benefits of being a part of a team and club. I have witnessed first hand, through my own family, the huge benefit this has had both in teenage years through to adulthood. To borrow a tagline from Nike - 'Just do it'. Please make this happen.

Kind regards
