Reasons for comment:	
Comments:	To see the Castle returned to its former glory would be fantastic. I have been attending shows at Hickstead for 15 years and have visited the pub and restaurant at The Castle most of those years with many wonderful memories. It has been terrible to see the building slowly fall into disrepair over recent years and I know many of us that regularly attend shows at Hickstead have been worried about it closing as it is a huge part of the social scene of the shows.

I know the new owners will do a wonderful job of renovating the building to enhance the area and provide services and hospitality to both locals and those visiting the area.

Kind regards
