Reasons for comment:	
Comments:	This development should not go ahead. The poor people living in Woodlands close will have their quiet peaceful life destroyed. There are far too many building developments in Crawley Down. No increased infrastructure, no doctors, schools, shops, to deal with the many hundreds of extra people. I wasn't aware that permission had been granted to demolish two

houses as I believe that is against the village plan. What are the good transport facilities? The bus service I take that to mean! This development will not provide affordable homes for our young people in the village. It is more greed by yet more developers destroying many elderly residents lives who have lived in peace for many many years. I implore you not to pass this planned development.

Kind regards
