Hi Andy

Thanks for this.

The details of the stone are acceptable and on that basis I think the condition can now be discharged.

Dear Andy,

To confirm the stone for the above project.

“Brick Stone and Flint” a local contractor has carried out repairs previously to some window surrounds at HPPC and has used the Cadbey Stone.

A Lambs Bricks and Stone product “Cadbey Stone” which is a close match.

Mark Elsey technical sales specialist from Lambs Bricks and Stone has confirmed it’s a close match, and has been used at HPPC.

The attached photo is an example of the stone.

Regards,

Andy

Dear Mr Doble

Could you please respond to the email query below, which I shall then pass back to the Conservation Officer and hopefully should then be in a position to discharge the conditions of both applications.

Many thanks

Hi Andy

Comments on the above discharge of condition application.

The details of the proposed materials are generally acceptable, but the applicant should provide a provenance for the sandstone.

Thanks,

Emily
