[REDACTED]

Dear Mr Evans,

I am writing to object to the planning application for a mast on Rocky Lane. The mast and cabinets will ruin the aesthetic of the area and the mast will be visible from all around, spoiling the outlook towards the South Downs. It will be highly visible as the tree line is only half the height of the proposed mast, so it will stick out like a sore thumb in the sky. This will spoil the area of countryside to the south side of Haywards Heath.

[REDACTED]

Kind regards,
