Dear Sir / Madam,

I just wanted to reach out voice my concerns and disapproval of the mast that there is plans to erect on the edge of The Beeches development, off Rocky Lane.

I feel this is going to be of zero benefit to us that live here, but will create an eye-sore with a huge mast visible from most of our homes, not to mention the health implications that come with being situated so close to us.

Please consider this email as a strong objection to the planning application DM/25/1495.
