Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this application on 3 grounds. 1. Access. If granted, this will inevitably result in more traffic to our increasingly busy road. 2. Parking. Southdowns parking is private and there are already ongoing problems with visitors to the swimming pool parking in our residents car parks. People mistakenly think they can park in bays that are designated 'visitor parking'. These spaces require a 'visitors permit' which can only be issued by a resident of

Southdowns Park.

3. Noise. This is the most important issue. Padel courts are notoriously extremely noisy and will destroy the peace and quiet of our current environment.
