Reasons for comment:	
Comments:	We would absolutely love to have a paddle court built next to us. It would completely transform the abandoned tennis courts, giving them a fresh, modern look and bringing new life to the area. Not only would this create a vibrant space for people to enjoy, but it would also make our neighbourhood far more appealing to potential buyers. We are currently trying to sell our property, and we truly believe that having such a fantastic facility nearby would make a real difference. Thank you for considering this - it would benefit so many of us.

Kind regards
