Reasons for comment:	
Comments:	I am writing to express my strong support for the planning application to transform the disused and rundown tennis courts into new padel courts. These existing tennis courts offer little to no benefit to the local community. Their current condition is not only an eyesore but also a wasted opportunity for a valuable recreational space. Padel is a fast-growing sport that appeals to a wide range of ages and abilities, promoting physical activity and social interaction. By converting these neglected courts, the proposed development will: * Bring a disused facility back to life. * Enhance local sports provisions * Promote health and wellbeing * Improve the aesthetics of the area. * It is a perfect location for the courts to be located here, rather than being given planning

permission somewhere on our beautiful countryside.

I believe this proposal is a thoughtful and positive step for the community, turning an underutilized asset into a vibrant hub for sport and recreation, which myself and my family would enjoy using.

Thank you for considering my comments.

Yours sincerely,
