Please identify the tree(s) and provide a full and clear specification of the works you want to carry out	T1 Thuja Conifer Tree - The tree (~12cm) is in poor condition as it is being out competed by adjacent the larger (~20cm) Tulip tree. The proposal is to fell T1 Thuja and replace it with Griselina Littoralis at the boundary to match the same tree that is planted along our next door neighbour’s boundary to give a consistent appearance. Our neighbour, who had advised us of her intention to plant additional Griselina Littoralis along the boundary is in favour of removing the Thuja given its poor condition.
