Dear Rosie Nelson,

We've been informed by the transport company that the delivery of your purchase is planned for 17 07 2019.

We'd like to remind you that the outstanding balance to be paid is £0.00.

The balance can be paid several days prior to the delivery of your purchase by credit card online or by bank transfer. You can also make the payment by credit card over the phone.

You can also pay the balance upon the delivery by placing a phone call to us (credit card payment over the phone), however, in this case please make sure that there are sufficient funds on your credit card and that no limit is set. Otherwise, if we fail to receive the balance from you, the haulier will have no possibility to unload the product and he will have to take the product back to the warehouse. In this case we will have to arrange the delivery for the second time, when the balance is received, and unfortunately we will have to deduct second transportation cost from the balance you paid.

Also, payment upon the delivery over the phone can be accepted only during the working hours of the office, i.e. 8 a.m. - 5 p.m. If you see that the delivery might take place during the hours when the office is closed, please call us and pay the balance in advance.

Please advise how you'd like to proceed with the payment.

If you have ordered a garage please make sure to double check if the garage doors are not damaged and if any damage appears please notify the driver and indicate it on the delivery sheet.

If you ordered insulation boards or EPDM roof covering, please note, it will be delivered by a different supplier within several working days.

Best Regards,
