Subject: Comment on Planning Application DM/25/0958 – Privacy Concern

You don't often get email from [REDACTED]. [Learn why this is important](#)

Dear Planning Committee,

I am writing to comment on planning application DM/25/0958 for the development of up to 6 residential dwellings at the former Methodist Church Hall, 42 Cuckfield Road, Hurstpierpoint.

I am a local resident and wish to express concern about how this development may affect the privacy of my property. Due to the close proximity of the proposed buildings to my garden, I am particularly concerned about the potential for windows or viewing points that would directly overlook my outdoor space.

This would significantly compromise the privacy and enjoyment of my garden. I respectfully ask that, if the application is approved, steps are taken to ensure that neighbouring privacy is protected—for example, through careful window placement, frosted glazing, or screening.

Thank you for considering my concerns.

Kind regards,

[REDACTED]
