Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments: I strongly object to the proposed site being used to build 125 houses on. I live very close to the site and the traffic is heavy now let alone if we build more houses/people/ cars! I struggle as it is to get out of my road onto the Balcombe Road. I also work at the local primary school which is Harlands primary school. Our school is always oversubscribed as is now so where do you propose the children that move in go to school? How about our oversubscribed drs surgeries? Not to mention the land is not fit for housing due to flooding and I've recently found out the possibility of a Roman road!
I'm also a massive nature lover and I believe you will be destroying habitats of rare species such as bats and woodpeckers in this area plus hundred year old trees! Please reconsider letting these houses be built.
Thank you.

Kind regards
