Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I can see that the number of homes has changed from 44 to 42. But there is no explanation of any other changes. What else has been changed and why? Could you not explain this to the public rather than expecting us to guess or try and deduce it from the numerous added documents? Seemingly the application is the same as it ever has been so as my objection has already been noted twice needless to say I still object to this development for all the same reasons mentioned previously.

Kind regards
