Dear [REDACTED]

Thank you for your email.

Please can I ask for your full postal address, including the house number or name, so we can register your comments? This is because we no longer put names up on the planning register, just the address. Any personal details such as your name and email address will be blanked out.

Please resend your comments and address to us, in a new email so we can put your comments on the online register for you.

Below is the link to our Terms and Conditions for our Online Register for comments:

Subject: Park Centre

[REDACTED]

Dear planning department.

I am writing this email because the original public portal has closed despite having another 6 days before it's end date of 25/6/25.

I would like to express my support for the planned improvements at Park Centre, Burgess Hill.

Anything that will allow more activities, clubs and especially for the young people of the town to be well catered for, the better.

We have so very few safe social gathering places for youth in the town. Almost all are based around one specific activity/club, and are expensive to attend, plus only run for a few hours a week.

Park Centre will be able to cater to a much wider range of young people, maybe giving them something better to do than vandalism, theft and other forms of antisocial behavior.

Park Centre's Escape Youth Club will also be there to support those young people for whom life is full of negatives like abuse, bullying, poverty, and depression.

Thank you- I look forward to hearing that the planning application has been successful,
