Good afternoon

Thank you for sending through the updated Block Plan. However, we do require the plan to be hatched to show all the areas where the proposed works are being carried out. i.e the garage building and the main barn.

Please could you update the plan to show this information and resubmit it through to us.

Many thanks
Liz

Dear Liz,

We recently submitted the planning application for Lywood Barn. We were notified that the proposed block plan did not show the area for the proposed porch. The proposed porch is designed to fit beneath the existing roof pitch (shown in drawing 116 22 002 P2) so wouldn't actually affect the block plan. There is however a thin metal window surround which comes slightly beyond that line, so I have tweaked the block plan to include that.

Hopefully that is sufficient but please let me know if any other updates are required.

Kind Regards,

Fergus Davis
