Dear Cllr Zeidler,

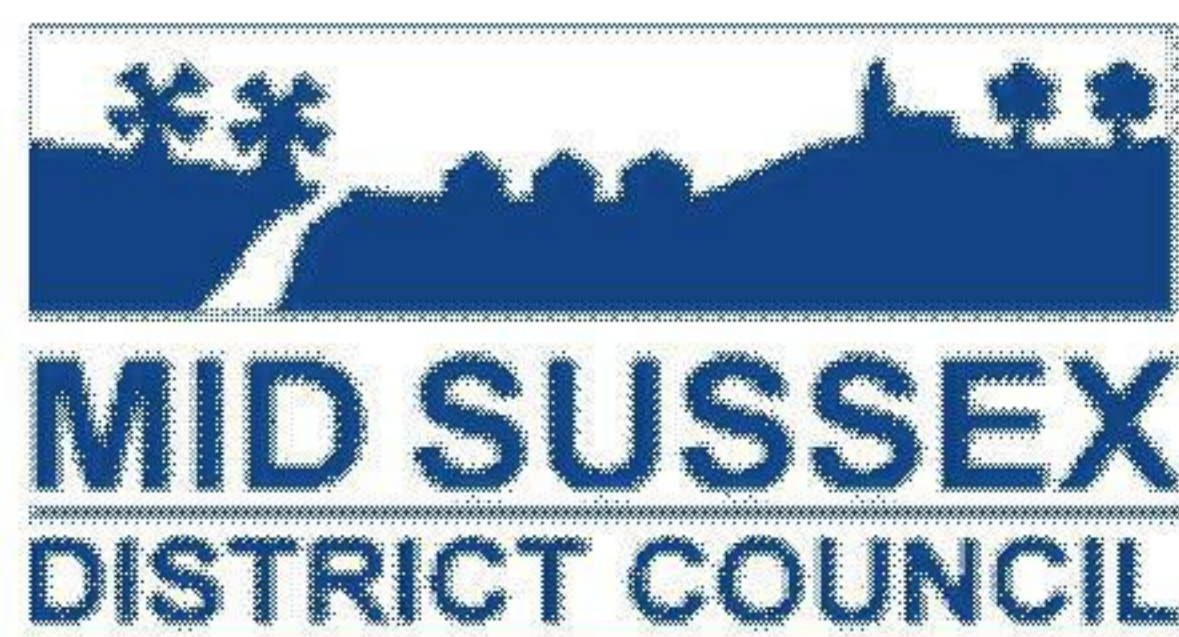

Thank you for your email.

To confirm the householder planning application would remain and would just be the Listed Building Consent to be withdrawn.

I am awaiting Emily's comments on the planning application and I will be able to provide a timeframe for a decision when this has been received.

Kind Regards

Many thanks Katherine. I assume that as the planning application is required for a flagpole of 6m then it is only the Listed Building Consent application that would be withdrawn - the planning application would remain?

Assuming that this is the case, and if Emily is happy that LBC is not required as the flagpole does not impact the building despite being within its curtilage, then I would like to withdraw the application.

Many thanks

Geoff Zeidler

Dear Cllr Zeidler,

I am writing with regards to the above Listed Building Consent for the flagpole.

I have discussed this with Emily Wade, and as the flagpole would be set away from the listed building and not physically attached Listed Building Consent is not required.

Given this, can you confirm whether you wish to withdraw this application.

Kind Regards
