Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This area is prone to flooding. Congestion and pollution will increase and the roads will be further eroded. The towns already stretched infrastructure will have additional burdens placed upon it. Doctors surgeries are already at full capacity. Ardingly reservoir cannot cope with the houses we already have thus water shortages will increase. It is proven that green spaces assist with people's well-being and

developing this area will deprive the residents of Haywards Heath
of yet another such area.

Kind regards
