**Stance:** Customer made comments in support of the Planning Application

**Reasons for comment:**

**Comments:** I heavily support the use of hurst farm as the main entry and exit to this development, this keeps our very small and quiet estate in Wychwood, safe for the children and pets we have here. My main

concern has always been safety and I am very pleased you have taken that into account when deciding to use a different entry point.

This this remains the case, I'll be more than happy for things to proceed.
