Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object on 2 grounds 1 There is no need for this so-called development as these facilities already exist on the site 2 There is no provision (particularly financial) for maintenance. This is land that the developer is having to purchase in conjunction with the "Cuck-Stye" development and has to do something with it as cheaply as possible and with no future financial commitments.

Kind regards
