Reasons for comment:

Comments: I strongly object to this wonderful green site being developed on. I regularly access the wite to walk my dogs and regularly see a wide variety of wildlife on the site. It really is one of the few sites left in Haywards Heath that is so beautiful and would be a shame for local residents to lose sight of that land. It helps create a boundary between Haywards Heath and the nearby countryside.

I am also greatly concerned where car access will come/go. As far as I can see Gatesmead will be the access road for the houses. This road will be severely congested and also add to very congested access into Lindfield and Haywards Heath at the mini roadabout at the end of Sunte Ave.

Kind regards
