| Comments:            | <p>I am already being told to conserve water. Last summer and autumn I had a hose pipe ban for over 6 months.</p> <p>I am already struggling to get access to doctors</p> <p>You are planning to introduce more houses to add to this issue, in one of the few green spaces that is left for us locally and regularly used for walking/exercise.</p> |

What are your plans to improve facilities in this area if these houses are approved? You cannot keep adding houses without recognising the impact on green space and facilities available.

I strongly object to this development
