Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	As a resident of Wickham Close for 45 years my husband and I, our children and grandchildren have used the public footpath in Wickham Way to enter and walk in the field now earmarked for development. Housing on the last piece of open countryside n Haywards Heath will affect the local population who regularly use the field on a daily basis. The development would surround 2 Grade 2* houses and put added pressure on local sewers. GP surgeries and local schools in the vicinity are already stretched to

capacity. South East Water are already struggling to provide adequate water in and to repair leaks.

Kind regards
