Reasons for comment:	
Comments:	There is so little green space in the town & we all know the positive wellbeing affects of being able to access green spaces. These are essential within ones locality & without having to drive to such places. In the 50+ years I have lived in Mid Sussex we have lost so much green space! Plus we are already experiencing a water shortage, traffic issues, poor road conditions, lack of schools, difficulty in seeing a doctor.....all obvious reasons why this should not go ahead.

Kind regards
