Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We strongly object to the proposed development on the land west of Gatesmead, Wickham Way, Haywards Heath. This land is a haven for wildlife and has been for many years. It is constantly used by ourselves and other local country lovers, and we are heartbroken by the amount of fields that are being built on locally. Moreover, we do not have the infrastructure to cope with more houses/people in the area. Surgeries, schools etc, are oversubscribed and the roads are increasingly hazardous with the

increased volume of traffic. Please no more building, esp on this precious site.

Kind regards
