Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed houses are not needed on top of all the new houses currently being built in Burgess hill and hassocks which are struggling to be sold. The local water supply can't cope with the existing demand. The local road infrastructure is already overstretched. If the existing roundabout isn't able to cope with the additional traffic, then all junctions at the far ends of the roads meeting at the roundabout must also need upgrading.

Kind regards
