Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Taking away yet more swathes of our beautiful Sussex countryside for unnecessary housing. Where is the access for this estate going to be? From Balcombe Road? What about the residents of Balcombe Road for whom the traffic down the road is already a nightmare? Do you intend to create an alternative access? I don't suppose so. Never mind about Balcombe Road residents. Just let them endure the noise and pollution of ever increasing weight of traffic. Where are the schools, doctors,

hospitals for these new residents? As a resident of Balcombe Road already enduring roaring cars and heavy lorries up and down this road, I strongly object to yet more. It is dangerous - it affects our physical health, quality of life, mental Wellbeing.

Kind regards
