| Comments:            | I object to the development of this site because<br>1. There is already so much new housing going up.<br>2. There is already too much pressure on infrastructure eg water - we only just had a hosepipe ban lifted! Plus doctors, traffic etc.<br>3. There are clearly other brown field sites in the locality which should be developed first. I'm sure you just think it's easier to develop an empty field. |

Kind regards
