

Application reference: DM/25/3256

Site Address: Storm Creative Partnership, The Old Surgery, Handcross

Site Visit Date: 16.01.26

North – Adjacent neighbouring two storey dwelling set within a relatively close proximity to the application site. There are some existing side (south) elevation windows at the neighbouring property which face back towards the application site.

South – Neighbouring building to the south with a long projection to the rear with a corrugated metal roof.

East – Mature tree planting out the east of the site as well as a gravelled car park space between the building and the planting.

West – To the principal elevation there is a front driveway to the west between the property and the roadside. A low brick built boundary wall acts as the main boundary to the front.

Streetscene – A mix of terraces, semi detached properties and bungalows throughout, seemingly from different time periods. There are a number of various services and vendors throughout.
