Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We object this proposal contradicts the Slaugham Neighbourhood plan. It would compromise the strategic green gap between Handcross and Pease Pottage villages.

The local water and electricity supplies are fragile and interruptions are frequent.

London Road is very busy with a 50mph limit, peak times daily are chaotic and if the A23 southbound is closed all traffic is routed onto London Road.

The Handcross village boundary should not be moved .

Kind regards
