Dear Sir/Madam,

Proposal: Discharge of discharge of condition 7 (SUDs), 12 (Levels), 16 (Noise), 17 (Landscape around public apparatus); 26 (Travel Plan), 30 (Foul/Surface Water Disposal), 36 (Play Space), 37 (Boundary Treatment) and 41 (Allotments) pursuant to Planning Permission DM/25/1129

Site: Land at Foxhole Farm, Foxhole Lane, Bolney, West Sussex.

Thank you for your correspondence. Please see our comments below regarding the above planning consultation application.

Following a review of the documents submitted Southern Water has no objections to the discharge of conditions 7 (SUDs) and 30 (Foul/Surface Water Disposal).

We do not have any comments on conditions 12 (Levels), 16 (Noise), 17 (Landscape around public apparatus); 26 (Travel Plan), 36 (Play Space), 37 (Boundary Treatment) and 41 (Allotments) as these do not relate to the drainage.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction work, an investigation of the sewer will be required to ascertain its ownership before any work commences on site. If this happens, please call our Customer Service Desk on 0330 303 0119

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).
