Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Construction noise must be kept to working hours only. Not weekends, evenings or early mornings. It should be taken into consideration that this owner has already removed the entire front garden to create multiple parking spaces and dug out the whole far end of the garden for a large "home office" complex within the last 4 months. Biodiversity and water

management conditions must reflect ALL of this additional building work.

Kind regards
