Subject: DM/26/1115 - Greenfields, 6 Folders Lane, Burgess Hill

Hi Stefan,

I have reviewed the Arboricultural Impact Assessment (AIA), Arboricultural Method Statement (AMS), and Tree Protection Plan (TPP), for this proposal.

Trees should be adequately protected during construction provided that the measures set out in the TPP and AMS are followed.

I have no objection.

Please condition adherence to the AIA, AMS, and TPP.

Kind regards

Emma
