Dear Stefan,

Planning ref: DM/25/2231

I own Ludwell Farm Cottage on Hook Lane, West Hoathly.

I am surprised that residents of West Hoathly / Cob Lane who are materially impacted by the proposed development at Stonehurst House were not notified.

The look out tower that is proposed seems to be a material addition to the landscape and unprecedented in the AONB - Church Towers only thank you, not unsightly displays of wealth with no use.

I understand that such a folly has been declined in the recent past and trust it will be again.

Regards,
