Reasons for comment:	
Comments:	With regard to the plans, we have no issues with the downstairs proposals. Our objection to the current plans relates to the loft conversion proposals where the construction of 2 new 3-pane windows will considerably impact our privacy. These windows would give a new line of sight into 3 of our

downstairs rooms ; our living area, the kitchen and our main reception room. (No other surrounding property has this direct line of sight).

We would therefore ask that any proposals are adjusted to eliminate or lessen this impact. This could include, limitations on window size, frosted glass on some or all panes, or other alternative screening.

Kind regards
