Reasons for comment:

Comments:	I cannot see why fabulously old trees will be cut down & car park taken away for the field for a hall which will be built so near to the Haven centre. Will the facilities be so much different? The Haven centre sometimes struggles, or has done in the past so how is another venue which is near enough identical going to survive? There are better places for a building such as a town hall to be built. Definitely not next door to a facility which is going to be exactly the same. It does not make sense. Why not put the money into making the scout hut a more suitable venue & one that could be shared with the local community. Or make the run down pub,

which mid Sussex have just ignored & let the owner do nothing to, make that into a community village hall. This would help the cdra with events etc. a much better use of the village hall money & one that would help the centre of the village & all its occupants

Kind regards
