### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The volume and nature of traffic generated by the development, in the private road Sandhill Lane over the likely period of the development will be a very disturbing influence on my peace and quiet enjoyment of my residence in the lane. Also the additional 8 homes will not help me in my access of local facilities (doctor, shops, busses etc)

Kind regards
