

A 3D architectural rendering of a two-story brick house. The house has a dark grey gabled roof with a central brick chimney. The exterior is made of red brick. On the left side, there is a bay window on the ground floor and a smaller window above it. In the center, there is a small front porch with a white frame and a dark door. To the right of the porch, there is another window on the ground floor and a smaller window above it. On the far right, there is a two-car garage with dark grey doors. A green hedge runs along the front of the house. The background is a clear blue sky.
