Thank you for the opportunity to comment on the above numbered planning application. This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. In respect to the above planning application I would provide the following comments.

I understand that this application is for an Access track in relation to a telecommunications site. If I am mistaken in this belief I reserve the right to submit further comments.

Having considered the relevant documents my recommendation is one of 'No Objection'. Please refer to previous document 'Email from Prow' dated 27/02/2026 on planning application and points raised for consideration if approved in relation to the Public Right of Way.
