Dear Anna,

Further to our recent conversation, please see attached the photos of the side of the house showing the works completed.

All interior works were finished as per the previous approval, with the exception of the loft extension.

We knew it had a 3yr timeframe so we're applying for renewed permission using the old plans as nothing had changed in the design or schedule of works and we want to be confident that work could start on the loft, if needed.

Do let me know if you have any other questions at all.

Kind regards

James Mallinson

Dear Mr Wheeler-Mallinson

I refer to my telephone call with you yesterday.

As we discussed I am aiming to complete my recommendation report for your current application DM/25/2881 today.

For clarity I shall be grateful if you can confirm the works that have been completed to your property, as approved under former planning application DM/17/4423. If possible I shall be grateful if you can please provide photos of the side elevations of the house to show the new windows and doors.

I look forward to hearing from you.

Thank you.
