Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Having taught under-fives for 20 years I was concerned this is a small building for a nursery. Since the nursery opened the parking issues on this small access road are a huge problem. For residents of Hurst Place affected by the selfish parking on this road, for the elderly users of Age UK some drive and others use community transport the vehicles need space to access, Living on site I experience daily the problems of parking with many residents and visitors to Age UK coping with the man issues and the poor parking problems since the nursery opened.

These would have been seriously considered with the correct planning considerations these issues would have been considered.

Kind regards
