

SITE VISIT REPORT SHEET

Ref:	DM/25/1788
Site Address:	The Granary, Honeybourne Farm, Truslers Hill Lane, Albourne
Officer:	Andrew Horrell
Date of Visit:	18.08.2025

The Site (Is block plan correct, levels, trees, highways/access, materials?)	
The Granary is a two storey converted barn that sits in a rural setting as part of a small cluster of old farm buildings. It fronts west towards the listed property at Wick Farm although a public right of way separates these two properties. To the east lies an agricultural field that is raised above the application site but this also wraps around to the north where it adjoins the existing car parking spaces. To the south lies one of the previously converted barns (The Stables).	
Adjoining Land (Land use, adj. trees, boundary treatment, materials?)	
North:	Hedging to access track
South:	Fields
East:	Fields
West:	Hedging to garden of The Granary

Street Scene (What is the general character like? Would this be sympathetic?)

Outbuildings widespread.

Other Comments (Main issues, Neighbour Notification correct, any action required?)

Check similar structures and decisions, Parking for 2 cars on driveway
