MID SUSSEX DISTRICT COUNCIL

DM/26/1873

**Land At , Sweetlands, Hassocks, West Sussex, , ,
2 Cedars- Reduce back to previous cut points approx 2m.
Mr John Williams**

Permission is sought for the works as described.

The trees are located on a grassed amenity space, surrounded by properties, which face them. They are prominent, mature specimens, which have developed a single crown. They have previously been reduced to allow better clearance for grass cutting and access and to reduce shading of front windows.

Works will repeat those previously carried out and will not impact unduly on the long term health or amenity value of the trees.

Permission is recommended.

Decision: Permission
